Summary: A rhyming, illustrated board book that explores all of the places that baby animals may live, including forests, caves, jungles, burrows and beyond.

Orca Book Publishers gratefully acknowledges the support for its publishing programs provided by the following agencies: the Government of Canada through the Canada Book Fund and the Canada Council for the Arts, and the Province of British Columbia through the BC Arts Council and the Book Publishing Tax Credit.

Interior and cover artwork created using acrylic on gessoed board and digital collage.

So Many Babies

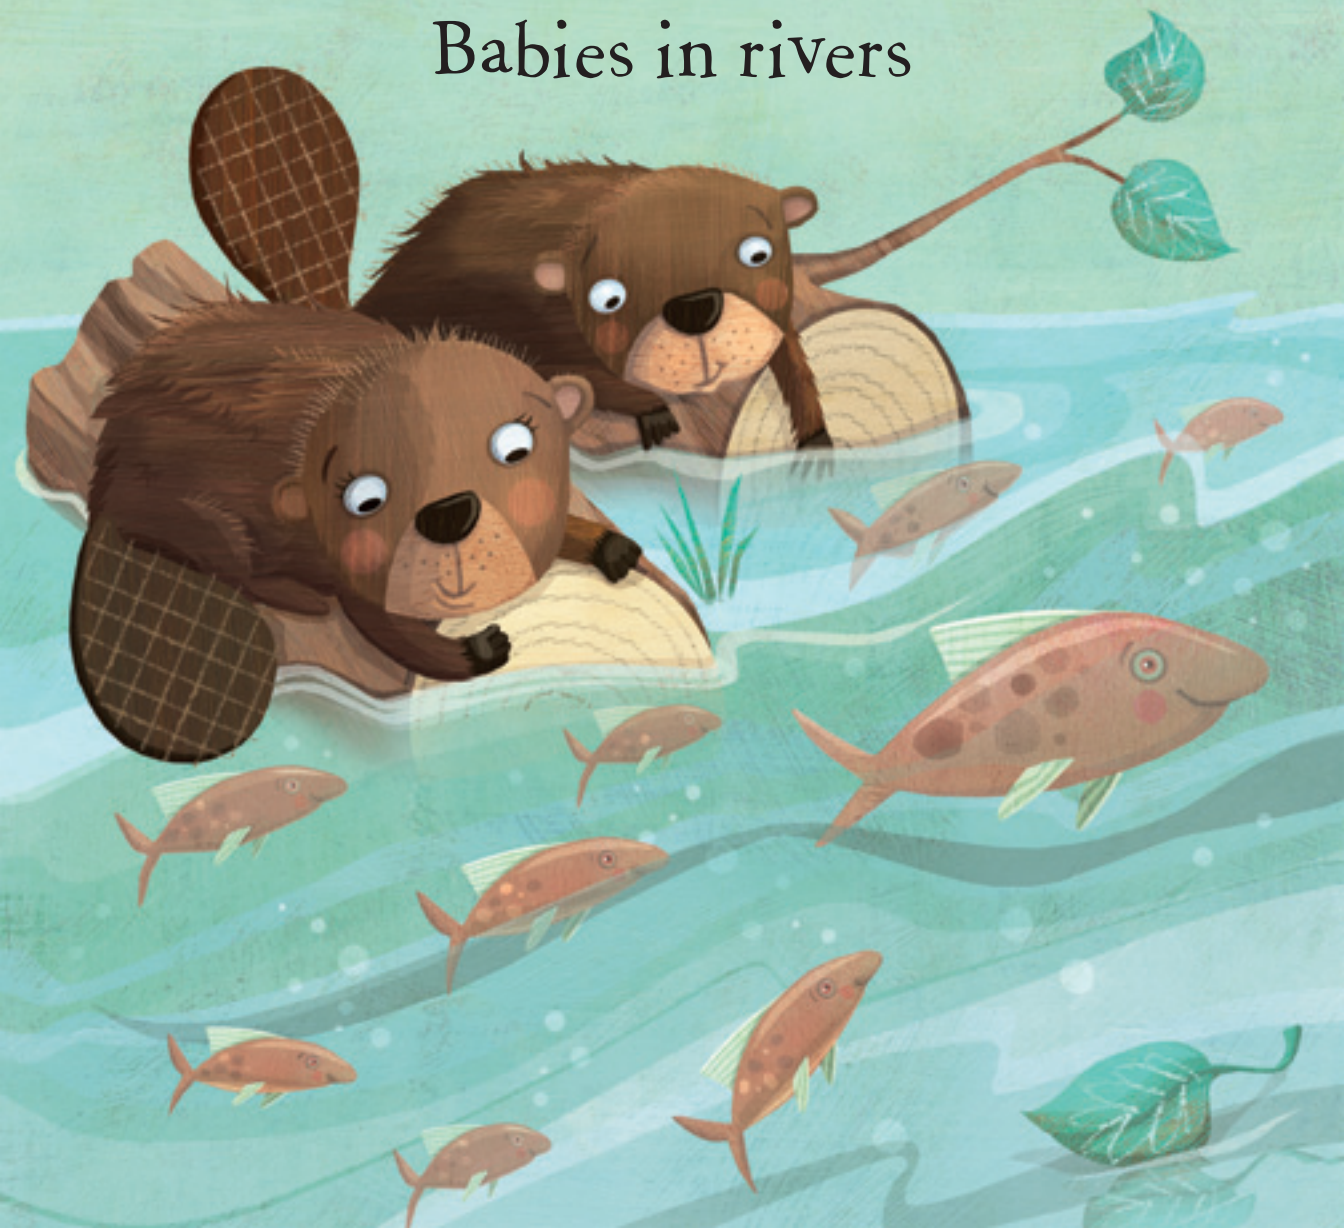

The background of the cover is a lush green field with various shades of green. There are four white rabbits: one on the left, one in the center, one on the right, and one in the bottom left. They are surrounded by small red flowers and green bushes. In the background, there are stylized trees with green and yellow foliage. The title 'So Many Babies' is written in a large, white, serif font, centered on the page.

ORCA BOOK PUBLISHERS

Babies in rivers

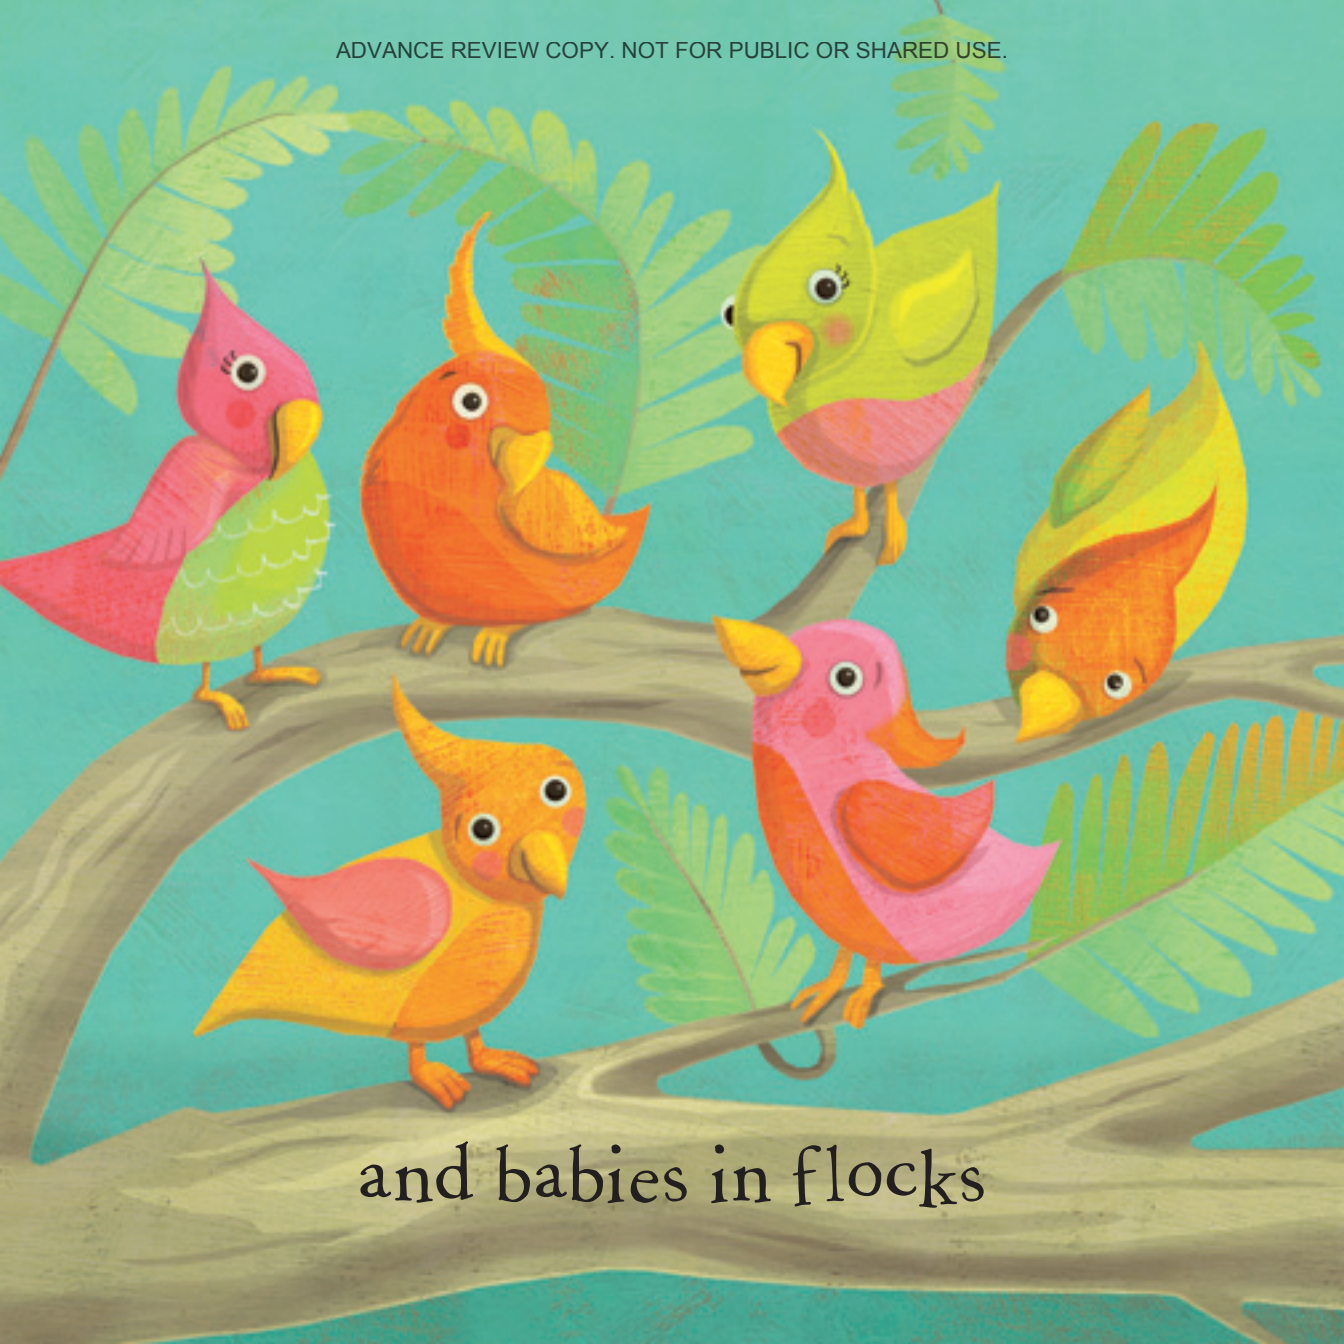

and babies on rocks

Babies in jungles

and babies in flocks

Babies in meadows

and babies in bogs

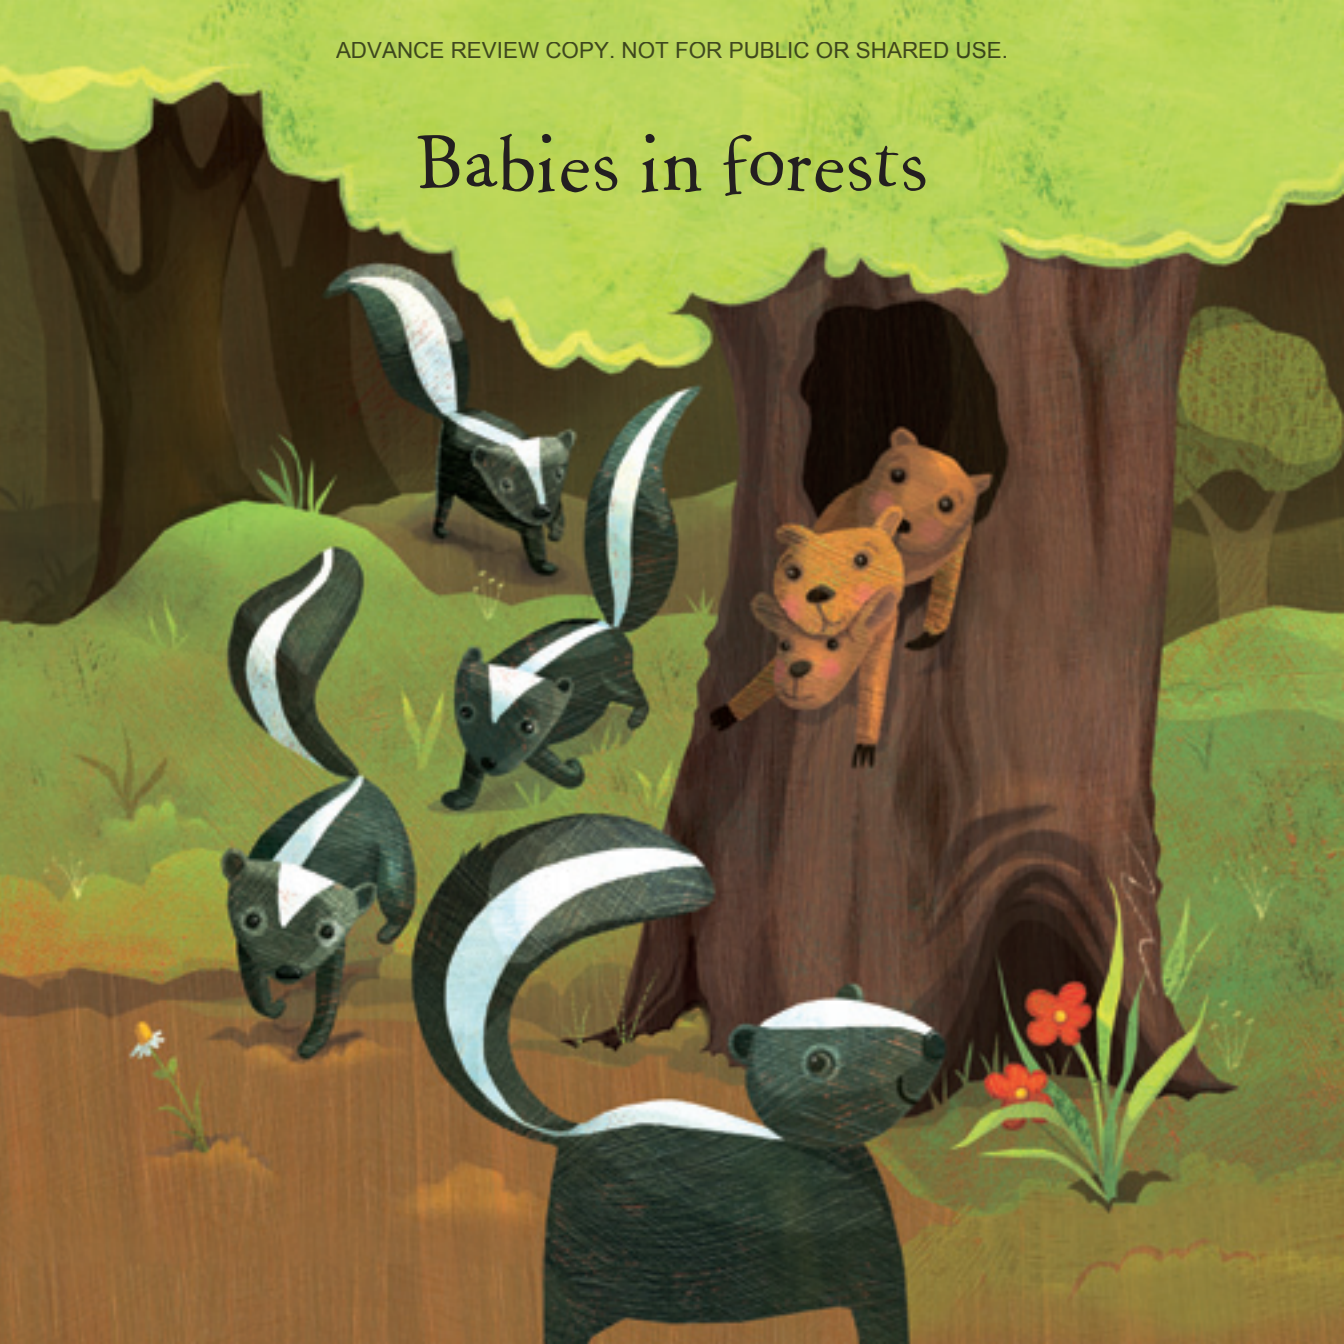

Babies in haystacks

and babies on logs

Babies in forests

and babies in caves

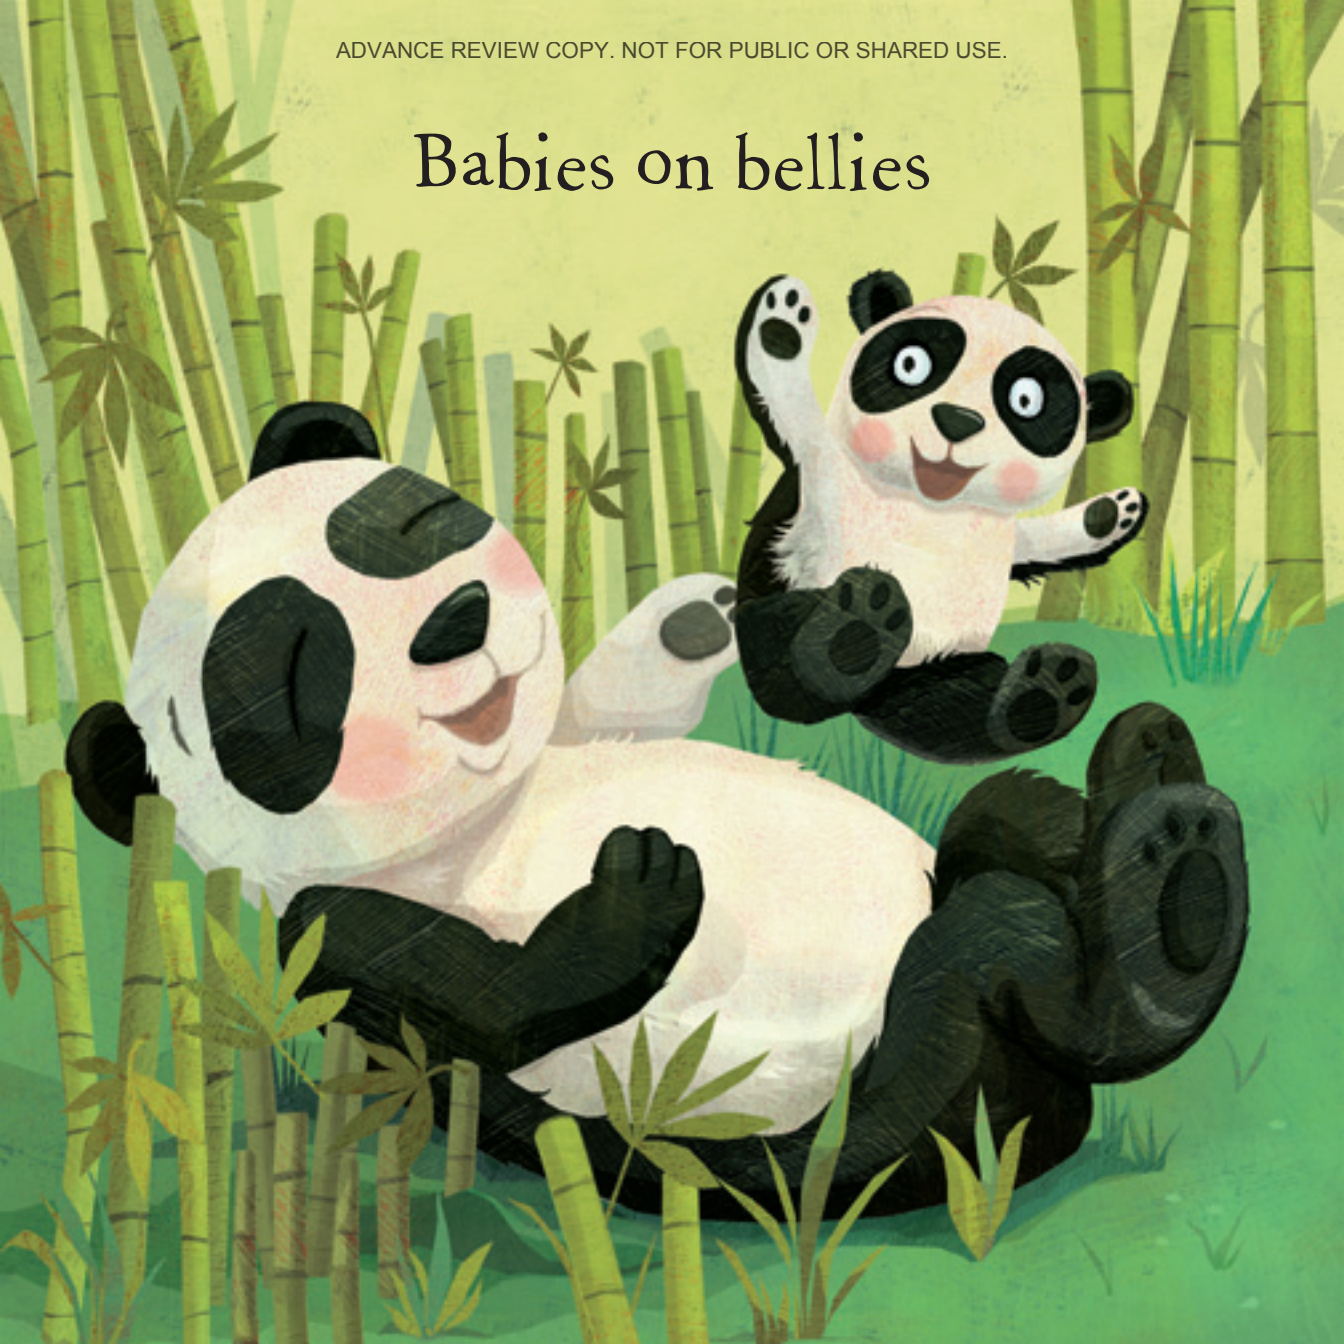

Babies on mountains

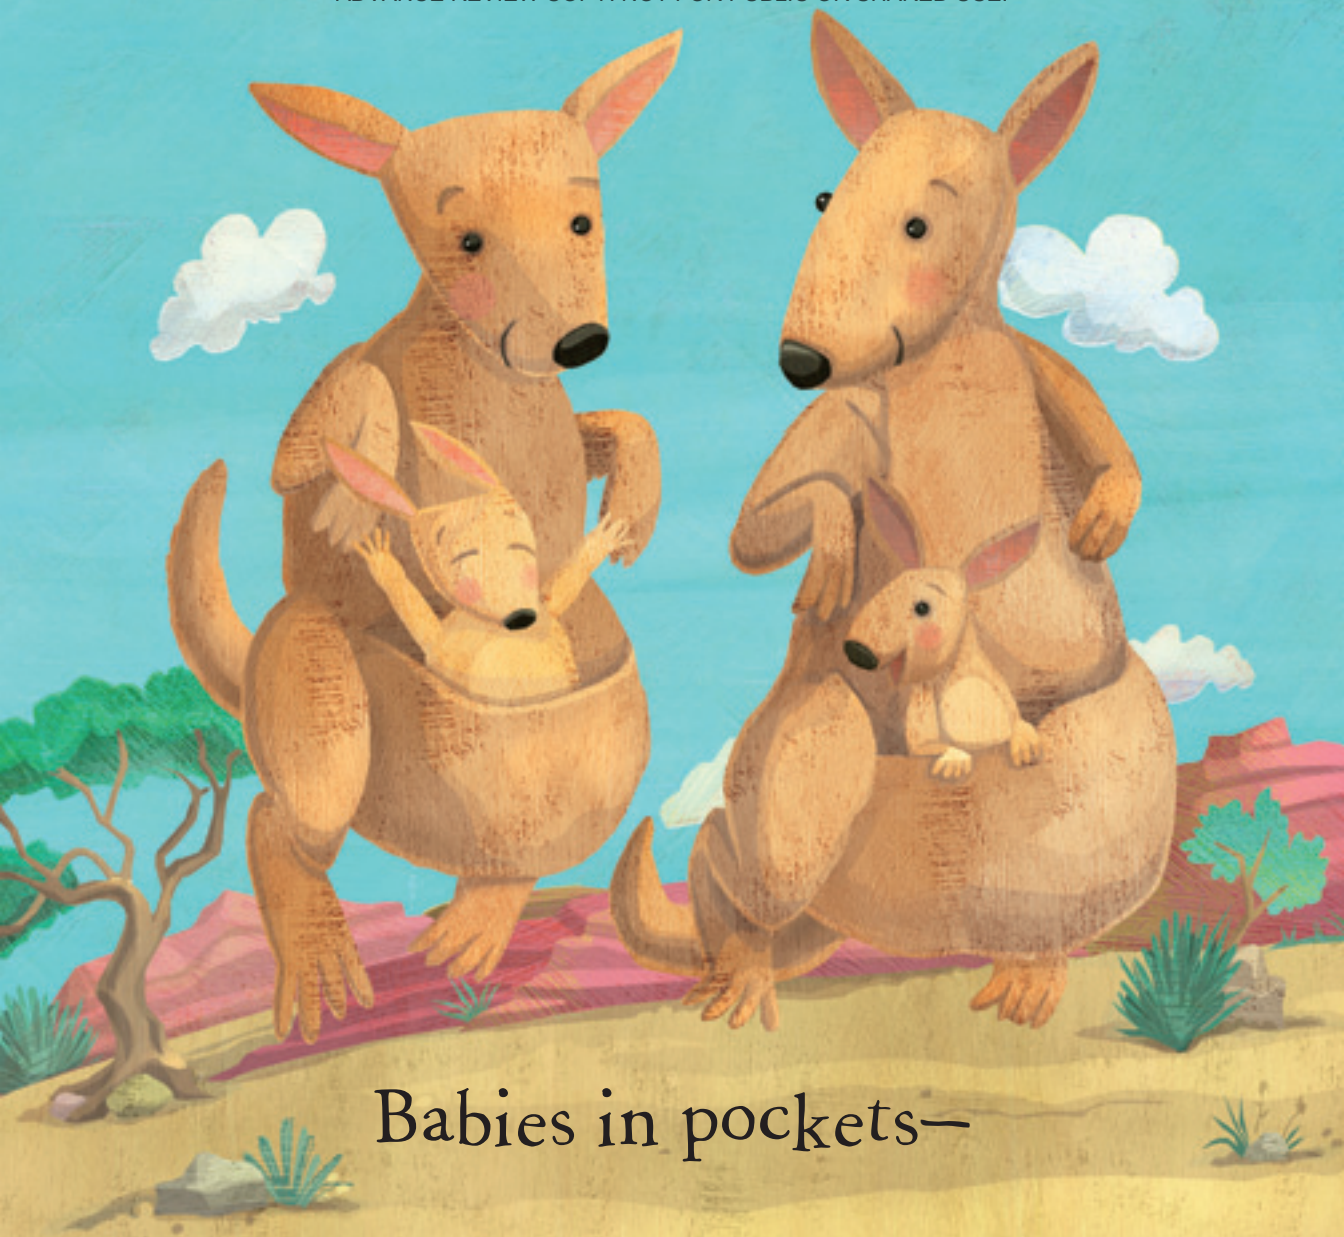

and babies in bays

Babies on bellies

and babies on backs

Babies in pockets—

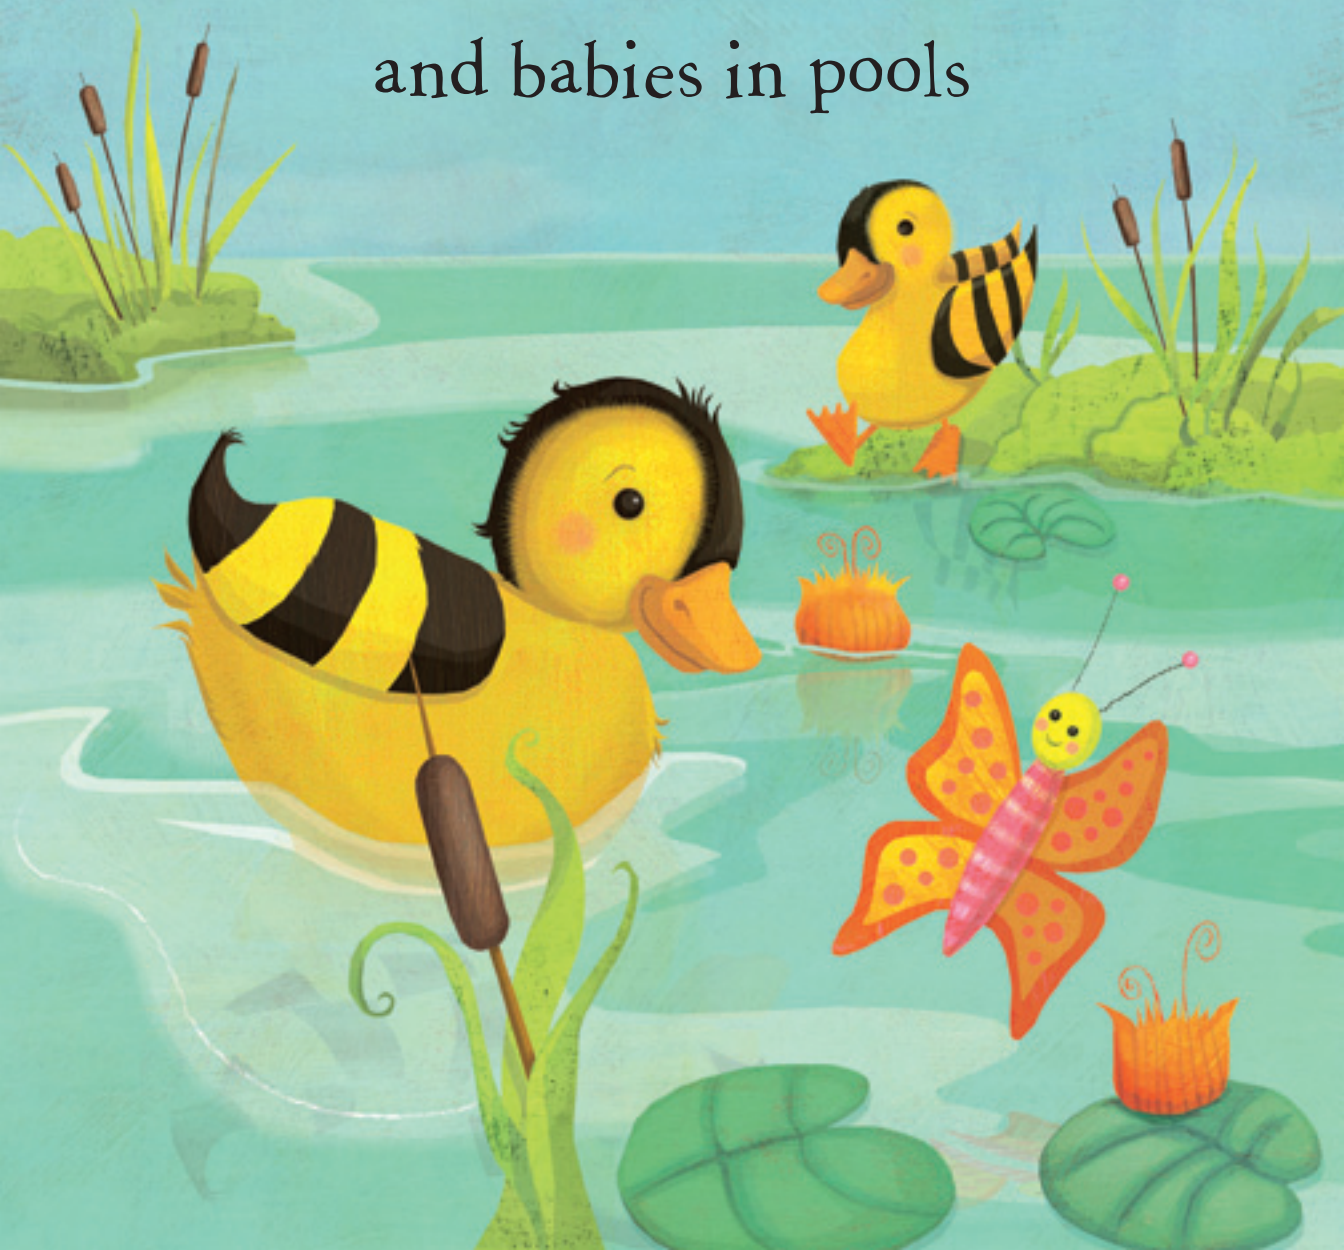

it's a baby attack!

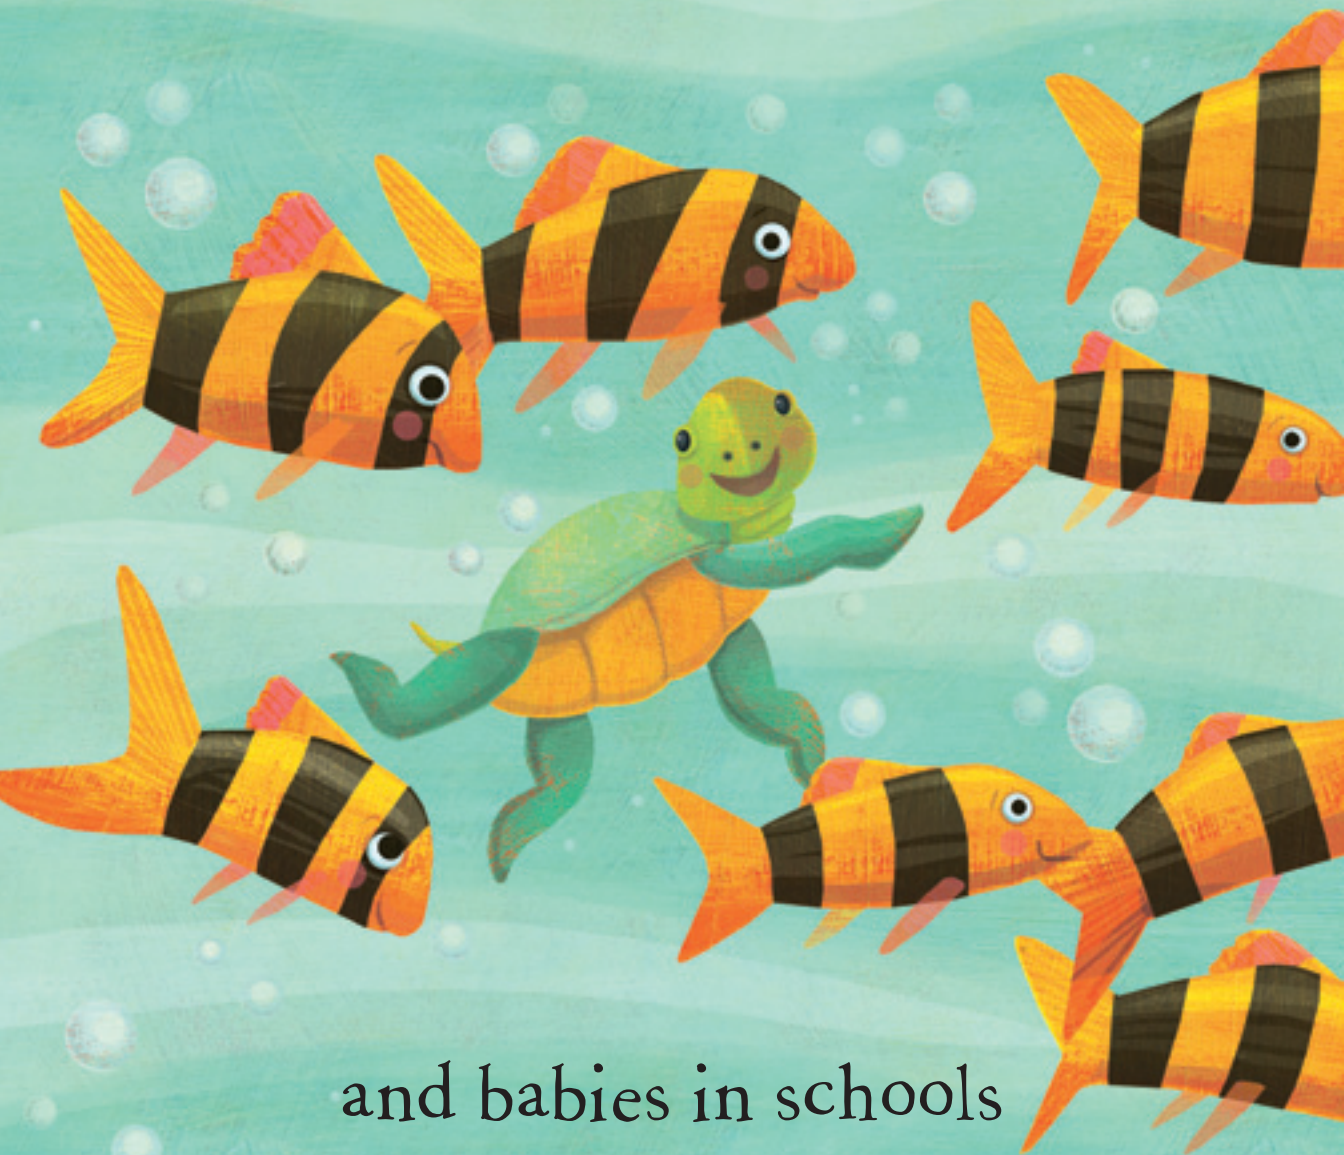

Babies in bushes

and babies in pools

Babies in burrows

and babies in schools

So many babies
and all of them new,

but baby, my baby,
there's no one like you!
