Even the
COLORS are
having
fun!

People in India
welcome the arrival of
spring by tossing colored powders
known as *gulal* on friends, family and
strangers. Holi, the spectacular Festival
of Colors, celebrates the legendary love of
Lord Krishna for his beloved, Radha. Amid
the clouds of reds, blues, yellows and
every color imaginable, the festival of
colors and love has everyone singing
and dancing in the streets.

HAPPY HOLI!
